
Testing With Squish

Material based on Squish 6.0

The logo for AKDAB, featuring a stylized blue 'A' with a lightning bolt and wavy lines below it, followed by the letters 'K', 'D', 'A', and 'B' in a blue, sans-serif font.

Getting Started with Squish

- 10.000 Feet Overview
- Recording and Playback
- Verify The Result

Getting Stable Scripts by Programming

- Python Introduction
- Verify The Result II
- Refactoring

Further Testing Possibilities

- Object Identification
- Data Driven Testing
- Application Internals
- Event Handling
- File Access
- Behavior-Driven Testing
- GUI Coverage

Advanced Squish Usage

- Customized Object Identifiers
- Automatic test runs
- Special Purpose Squish
- Final Exercise
